BAD OR GOOD WITH REBECA

Photography:
Catalin Muntean
(Airman Production)
Model: Rebeca
Make-up: Malvina Isfan
Styling: Ionut Dimache
Location: Gate One Studio

A woman is shown from the waist down, sitting on a bicycle. She is wearing a white Calvin Klein crop top and white Calvin Klein underwear. Her legs are covered in black fishnet stockings. She is also wearing a black belt with silver eyelets over a pair of blue jeans. The background is a light blue brick wall. A white jacket is draped over the back of the bicycle.

You would think there are only good girls
and bad girls. What if I tell you, you can
have both all wrapped up in a sexy package?
Meet Rebeca, a vivacious capricorn who
loves horror movies and challenging sports
but she also likes roses and romance and
says she is an incurable optimist.
See, best of both worlds!

**When she is good, she is good,
but when she is bad, she is better!**

Yeah...I know...lucky man, but you can admire
and low key worship her in our sleamy editorial.
She has an offer you can't refuse!*

JEANE & JEANS

WITH JEANE VON DEE

Photography: Catalin Muntean

Model: Jeane von Dee

Styling: Ionut Dimache

I: Well...that was one hot photoshoot, I had to manually close my jaw a few times and I am a straight woman. I was watching you and trying to compose an interview, let me tell you it was not easy. So now that I have embarrassed myself enough, should we start?

JVD: *(laughs loudly)* Thank you! Sure, ready when you are.

I: You are the cover girl for the first edition of BeGudd, how does this make you feel?

JVD: *I feel honored and delighted that I was chosen to be on the very first cover of the magazine. I wasn't expecting it and it was a really nice surprise.*

I: Alright, before we hit start on the more steamy questions tell us a little bit

JVD: about yourself.

Hmm...I could tell you three of the most important things about me and the ones that really matter: I am sensitive and hot headed at the same time, I am very honest, sometimes too honest that's why my circle of friends is small and the last but not least, I am a strong and ambitious person when it comes to my personal goals.

I: I don't want this to be a shallow interview but wow, you look amazing! What is your secret?

JVD: *Thank you! Fortunately it's more genetics than work, yes I know I am one of those girls (laughs nervously) but at the same time I am careful about what I eat. I gave up meat for a while now and I feel great. I also go to the gym but I can't say I am "gym-addict".*

I: So, are you ready for something more spicy?

JVD: *I thought you would never ask! (laughs loudly)*

I: Leather or lace, whipped cream or chocolate?

JVD: *Leather for sure and I don't like chocolate so I will choose whipped cream.*

I: Sex on the beach or sex on a plane? Both risque if you ask me!

JVD: *Not a fan of flying, so sex on the beach is much more appealing to me.*

I: Your partner comes home and he finds you waiting for him....?

JVD: *Naked! (giggling as she plays with her hair and blushes slightly)*

I: Uh...it's getting hot in here, someone please open a window!

Do you have a fantasy which you can share with us?

JVD: *One of my fantasies would be sex wherever, whenever. Yes exactly, sounds funny but sex in public places or spontaneous sex, for example at a restaurant between the second course and dessert would be great. You just have to be lucky to find the right partner who is on the same page as you.*

I: Last question, very essential, what makes you (Be)Gudd?

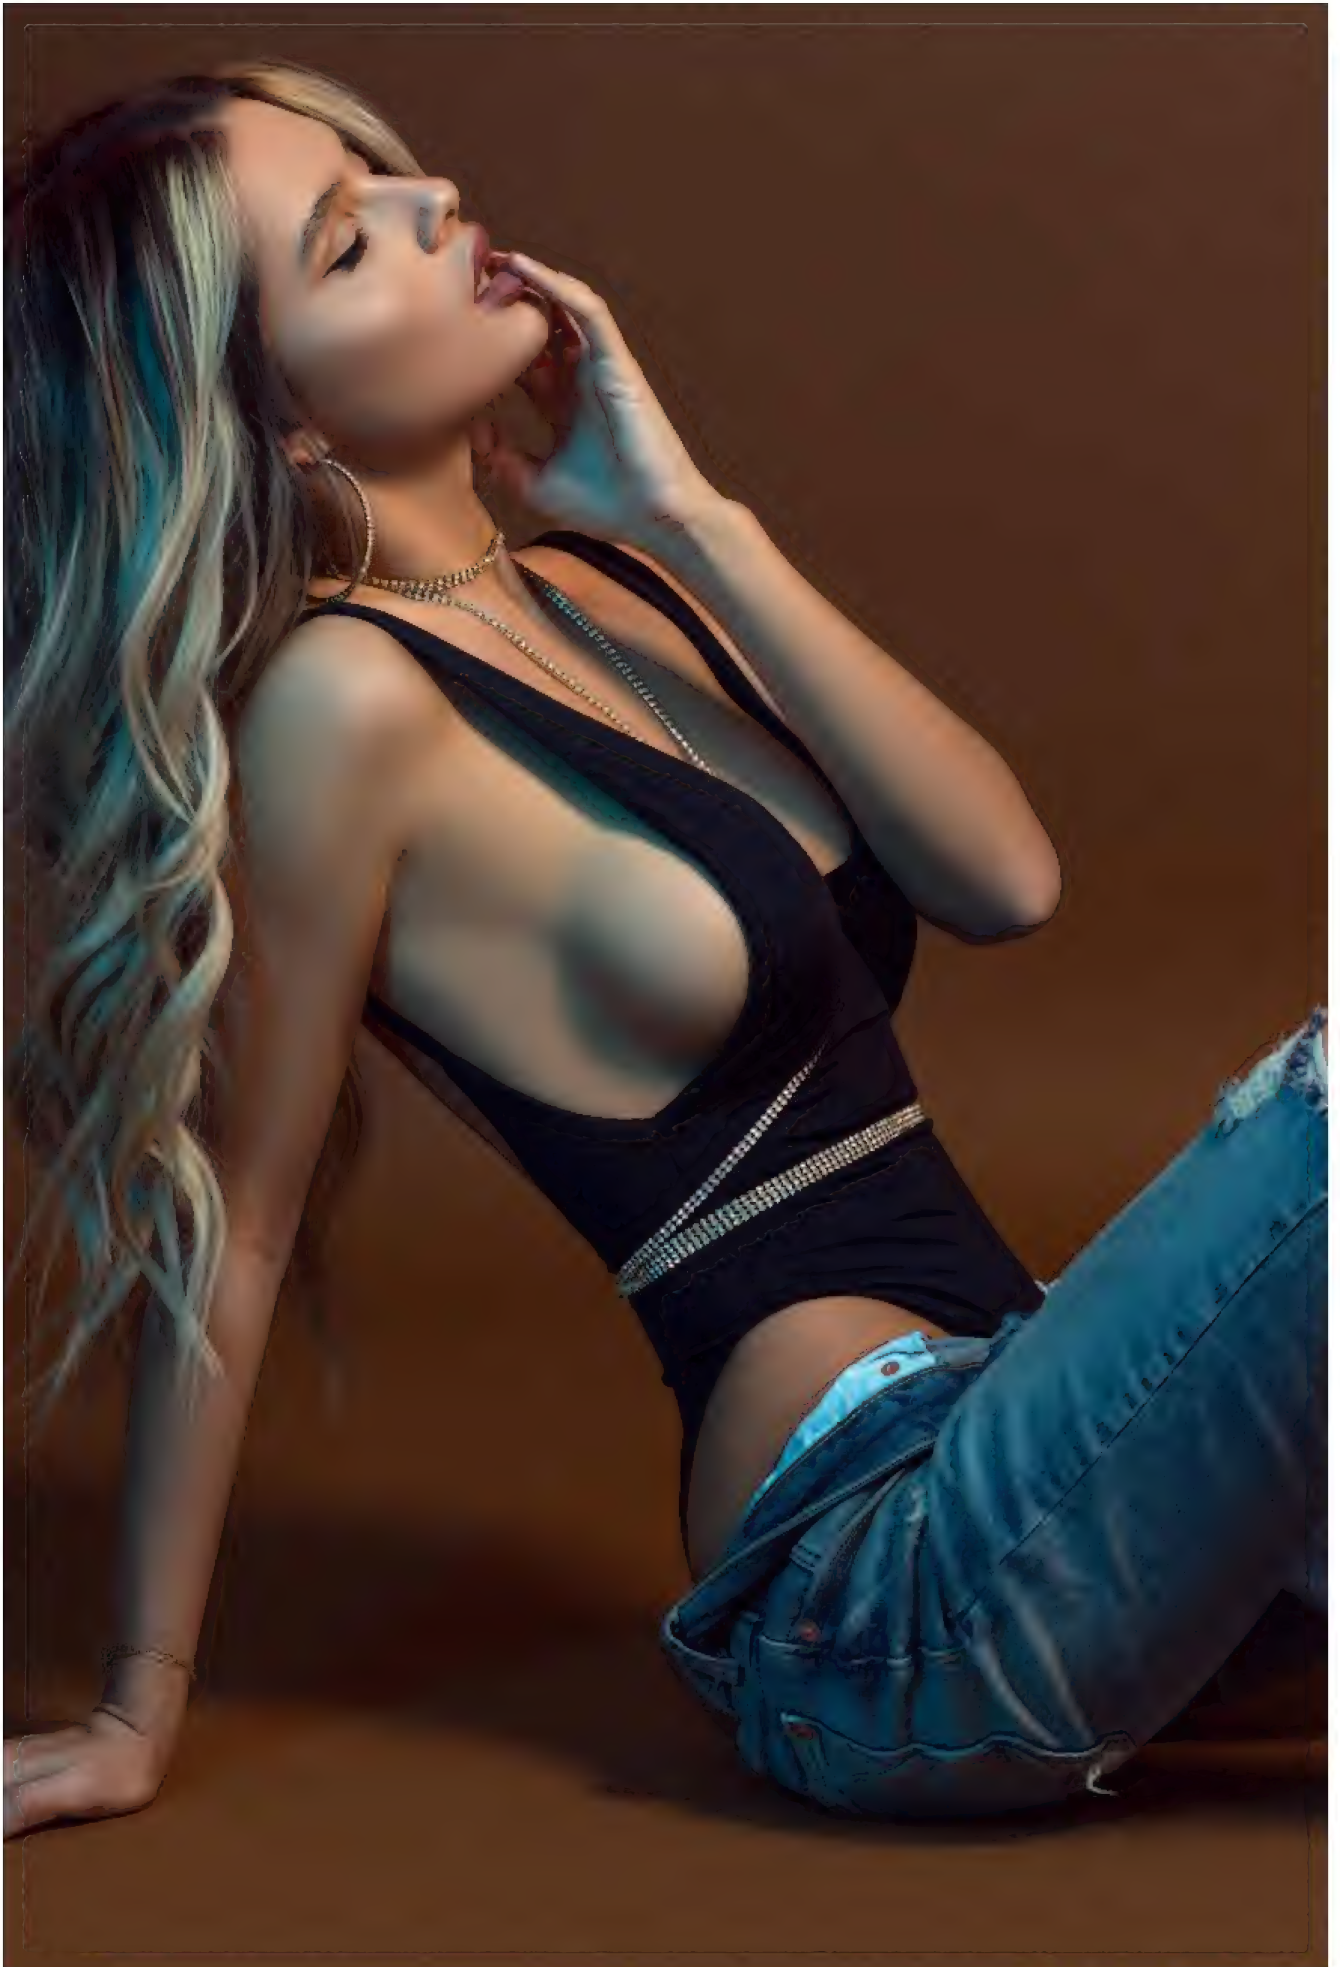

JVD: *What makes me (Be)Gudd....hmmm...I think it's the pleasure with which I embrace my sexuality in the most pleasant ways for me and for those around me. I like to tease and drive my partner crazy and also I feel like sex is an art. Sex and relationships are like couture: if not perfect, they're a disaster!*

OLIVIA STAN

Do you know what's better than an alluring woman with runway measurements?

One that looks like a Greek goddess AND has your back - literally!

A kickboxing pro, this Virgo loves adrenaline and has a soft, feminine side too that often reflects in her paintings.

See for yourself!
